A spectacular coalescence of old-world charm and new-world sophistication, Italian Kitchen features a modern multi-regional Italian menu dished up in ultrasleek surroundings.

As with other Glowbal Restaurant Group ventures, topnotch cooking, a high-energy atmosphere and gracious hospitality take top billing at the Italian Kitchen.

"I love the freshness and simplicity of Italian food. It is always a feast, making the most of seasonal ingredients and letting them stand on their own," says our Executive Chef.

Guests at Italian Kitchen will delight in warm wheels of handcrafted pizza, peerless antipasto platters, and dry-aged steaks. The pastas are stunning: pappardelle blanketed with lamb sausage and napa cabbage; truffled spaghetti with meatballs; and the ultimate Lobster Linguine with pancetta and scallions.

178-seat, two-level restaurant. The ground floor is the main attraction with a 50-foot white marble bar serving classic cocktails with a new-age kick. Across from the open kitchen, a glass-walled wine cellar -- stocked with predictably excellent Italian vintages and New-and Old-World offerings -- anchors the staircase leading to the second floor. Upstairs, take a seat in the elegant dining room or alongside the floor-to-ceiling windows that bring the outside in.
