GLOWBAL

590 West Georgia, TELUS Garden | 604 602 0835

Glowbal is the namesake and flagship restaurant of Glowbal Restaurant Group. Located in Vancouver's newest architectural landmark, TELUS Garden, this is where stripped down North American cuisine lives and breathes, taking ingredients from across the continent.

SPECIALTIES

The dynamic, lively open kitchen features Canada's first custom built Robata grill, taking the highly acclaimed satays from Yaletown's original Glowbal Grill to a whole new level. The menu is eclectic, offering North American favourites and seasonal dishes. Guests will also find a carefully curated wine list complete with old and new world vintages, plus rare cellar gems, and an inventive cocktail list filled with playful yet sophisticated creations crafted with a daring approach and classic execution.

“

North America’s incredibly diverse cuisine has always intrigued us with its abundance of flavours, availability of products and of course the famous fresh west coast seafood.

From menu favourites, to atmosphere, to dining and seating options, the best of the best is here.

EMAD YACOB
President and CEO of Glowbal Restaurant Group

AWARDS & ACCOLADES

Glowbal by Glowbal Restaurant Group has been a Vancouver institution since launching as Glowbal Grill Steaks & Satay in 2002. Reborn in August 2015 as Glowbal in downtown Vancouver's TELUS Garden, the bold, vibrant, 17,000 square-foot space is fresh, confident and unapologetically chaotic.

"I have always had a soft spot for Glowbal after launching it in 2002 as our first restaurant and the place that started it all," said Emad Yacoub, president and CEO of Glowbal Restaurant Group. "As Glowbal Restaurant Group has grown more sophisticated and mature, I needed my first 'child' to grow up with the rest of the company. Here it is, bigger, bolder and better than ever."

Glowbal is a full-on feast for the senses, starting with stripped down North American cuisine.

Experience Glowbal for lunch, dinner, weekend brunch, and happy Hour. Glowbal's thoughtfully crafted menus seamlessly meld crowd favourites from each of the company's locations including the famous Truffled Spaghetti & Signature Meatballs.

"North America's incredibly diverse cuisine has always intrigued us with its abundance of flavours, availability of products

and of course the famous fresh west coast seafood," added Yacoub. "We've brought these elements together to create a menu that is at once adventurous, approachable and delicious."

Thanks to the vibrant, open space created by Box Interior Design, guests can enjoy an incredible experience from any table, whether they prefer to people watch, thrive in the thick of the action, or feel like they have the place to themselves. Large parties have their pick of the widest selection of private dining rooms in the city, each space offering a distinct personality (think gold wallpaper VS. quilted leather cladding). Those looking to dine under the stars can snag their very own human-sized bird cage booth on the 150-seat patio, an expansive space framed by the dramatic wood-and-glass awning, a contemporary piece considered to be Vancouver's new architectural landmark, and bordered by a row of fireplaces for that added touch of warmth.

"We have taken menu elements from each location's preferred dishes and seamlessly melded them into a unified concept at the new Glowbal," stated Yacoub. "From menu favourites, to atmosphere, to dining and seating options, the best of the best is here."
